

TELL US ABOUT YOUR EXPERIENCES OF THE PANDEMIC CARING FOR PATIENTS USING HOME VENTILATION SERVICES

- **As a healthcare professional caring for patients in need of home ventilation services and respiratory care, we would like to hear about your experiences and perspectives providing home ventilation services and care for patients during the pandemic.**
 - **This study seeks to understand the perception of patients, caregivers and healthcare professionals as to pandemic-related challenges for home respiratory services.**
 - **This will help us improve respiratory services for future healthcare emergencies and pandemics.**
 - ***We will also ask you to take part in a focus group alongside other healthcare professionals. Focus group sessions will last about one hour.***
- **If you are:**
 - **A healthcare professional working in home ventilation and respiratory services**
 - **Work within the NPHVA**
 - **And if you are interested in taking part in the study, you can contact us at:**
 - **PNAVDrechercheCOVID@muhc.mcgill.ca**
 - **Tel.: 450-233-3560**

***Help us improve respiratory services for patients
in the future.***
